**Explanation**

A valid email account is used to process your application for a ezWeb Advantage login

**Purpose**

- We will use this email account if you ever need to recover a lost password
- We will use this email account as a default if your company chooses to send company related messages or reports

**Your Privacy**

- We will not supply or sell your email to any third parties
- We will not send advertisements to your email account

**Password Requirements**

- May not contain spaces
- Must be a minimum of 6 characters
- Do not use special characters such as !@#\$\$%^& in your password

**Password Suggestions**

- Do not use your social security number
- Do not use a variation of your name
- Select values that contain both letters and numbers
- Do not use keys in sequence such as "abcdef" or "123456"

Step 2 of 7 : Email Account Validation Sent

An email has been sent to [asi\\_prawn@yahoo.com](mailto:asi_prawn@yahoo.com) and should arrive in your inbox within the next 15 minutes. You must use this email to complete the login process.

**Please follow these steps:**

- 1 - Login to the email account you just entered and search for the "ezWeb Advantage Account Registration" email.
- 2 - Click the link within the email to activate your email address and continue the registration process.
- 3 - Once you receive your email, you may close this browser window.

**Problems finding the email?**

If you are unable to find the email in your inbox please try the following:

- 1 - Wait 15 minutes and look for the email again.
- 2 - Check your "Junk" folder, as settings in your email account may have filtered the email from your inbox.
- 3 - Verify you are logged into the same email account as the one you supplied earlier: [asi\\_prawn@yahoo.com](mailto:asi_prawn@yahoo.com).
- 4 - If you have not received your validation email and you have tried all the suggestions above, please email support at [MGAVETTE@INNOVEMP.COM](mailto:MGAVETTE@INNOVEMP.COM).

A link will be sent to you via email and will step you through the rest of the process. The last step (Validation Credentials) will request a Validation Key and Password. Your validation key will be the first 4 letters of your last name and the last 4 digits of your social security number. Your Password is your birthday in MM/DD/YYYY format.
